GRAB AND GO LUNCHES

Thank you for your patience as we worked, reworked and finalized our free grab-and-go school lunch deliveries. Special thanks to our transportation and food services teams who have been working hard! As a reminder, any child 18 and under is eligible to receive a lunch (this includes pre-school children).

For families picking up lunch here at the school, please continue to practice safe social distancing. Much like the procedure for Chromebook/packet pickup, lunches will be brought to vehicles one car at a time. We do not want anyone getting out of their vehicles to get their meals. However, if you are walking we ask that you keep six feet apart and line up along the sidewalk going around the roundabout. Thank you for your cooperation!

online INSTRUCTION

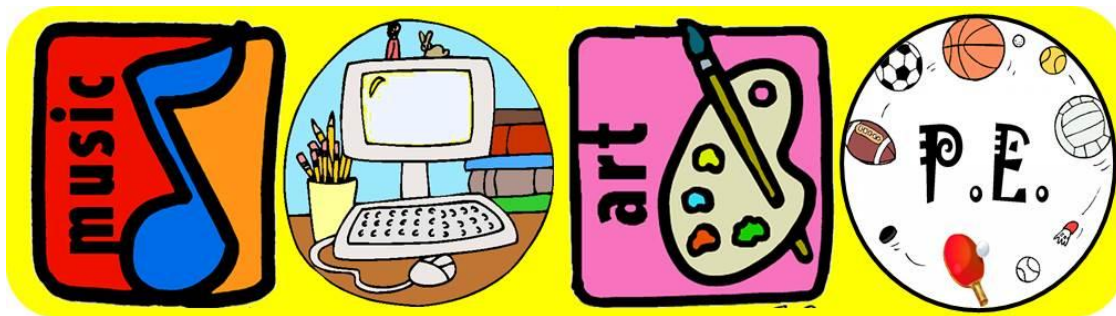

Congratulations on successfully completing week one of online learning with your student(s)! Your teachers should have communicated with you about all the information to expect during the packet pickup this morning.

Packet pickups will be consolidated from 9:00-10:00 beginning next week Monday as we anticipate not as many families needing to come to the school for materials. Also, if you need to return any completed packets to teachers, you will be able to drop them off during the 9:00-10:00 time as well beginning next Monday, following the new schedule by last names:

A-E, 9:00-9:15 am
F-K, 9:15-9:30 am
L-R, 9:30-9:45 am
S-Z, 9:45-10:00 am

If you have missed your scheduled time for packet pickup, please contact the school (574-2009) to arrange an alternate time. As always, continue to monitor www.washk12.org for updates.

Census
2020

The 2020 Census counts every person living in the United States and five U.S. territories.

In mid-March, homes across the country began receiving invitations to complete the 2020 Census.

Once the invitation arrives, you should respond for your home in one of three ways: online (<https://census2020.utah.gov/>), by phone, or by mail.

When you respond to the census, you'll tell the Census Bureau where you live as of April 1, 2020.
