## SCHOOL news

In an announcement earlier this afternoon, Governor Gary Herbert extended our soft closure to extend through the remainder of the school year. We will continue with online and remote learning until our regularly scheduled last day of school, which is Thursday, May 21. Dr. Yost will

communicate more information as he receives it from the district about how we will wrap up the school year, including the exchange of chromebooks, return of student belongings, etc.

---

*Thank you, parents!*

As we have now received the news that we will not reconvene for the remaining 2019-20 school year, we would like to thank you, as parents, for your continued commitment to your student's education during this unprecedented time. This soft-closure will mean that we won't have been able to have students in the building for about 5 months by the time school begins next year. Fortunately, learning is still happening and we have a good infrastructure in place to facilitate remote learning. Our teachers will continue to work hard at providing quality materials to engage our students in their learning needs as we finish the last six weeks of the school year.

It is now more important than ever that we pull together as parents, teachers and school administrators to ensure that our students are getting the support they need with their education. Please continue to work with the teachers to help your kids keep regular habits of learning at home during this period.

---

Grab and Go lunches have resumed and are available here at the school at 11:30 a.m. as well as at the designated bus stop locations found [here](#) and will continue until May 21, 2020.

Please continue to practice safe social distancing. Lunches will be brought to vehicles one car at a time. However, if you are walking we ask that you keep six feet apart and line up along the sidewalk going around the roundabout. Thank you for your continued cooperation!

---

For your safety, due to COVID-19, Diamond Valley Elementary playgrounds are closed until further notice.

**PLAYGROUND CLOSED.**

**Thank you for your cooperation.**

UTAH  
FOOD  
BANK

The food bank will be here on **Friday, April 17th at 11:30 a.m.** to deliver food bags. At this time, we strongly encourage you to come by the school and pick up a bag of food, if not for yourself then for a friend, family member, or neighbor who could use it.

We will be there at the same time as the lunch drop off to make it easier for people. Please pass the message along to those who may not have students at Diamond Valley Elementary but live in the area and could use the food.

---

Due to school dismissal, kindergarten registration has been postponed. However, online registration is OPEN and we encourage parents to complete this portion now. New dates and times will be posted to the district website for parents to go to the schools to finish the registration process at a later date.

Online registration can be found here: <https://sites.google.com/washk12.org/student-forms>

---

## **PTO OFFICERS FOR 2020/2021 SCHOOL YEAR**

It's time to start thinking about PTO Officers for next school year! Please go to the sign up below and nominate people that you think would be willing to help us out! You can also check to see if you've been nominated. DVES can't function without the PTO, so please consider nominating yourself or someone else. We will have elections online shortly to vote the new officers in.
