STEAM Career Family Night

Security Doors Bring New Procedures

Diamond Valley's new security doors were recently installed and began fully functioning at the beginning of September 2019.

Parents are still welcome to visit the school and volunteers are always appreciated! As always, parents need to check in at the front office to get a visitor badge before being "buzzed" in. However, parents need to arrange with the teacher ahead of time if they need to visit with a teacher or if they are coming to volunteer so that the teacher knows to be expecting them; otherwise, parents will not be allowed to be "buzzed" in until prior arrangement with the teacher can be made.

Of course, parents are always welcome to come and eat lunch with their child as well. You need to check in at the office first and then get "buzzed" into the rest of the school. Thank you for helping with our new and improved safety procedures.

Choir

The DVES Choir will be performing at the Spooky Town Festival on October 12 at 11:30 a.m. in the St. George Town Square. They will be ordering choir shirts for this performance, as well as all future performances during the school year. Please have your child bring \$7.00 and the T shirt order form to the front office by Friday, September 20, 2019. Shirts will be ordered Friday afternoon. If your child does not turn in a choir shirt order form they may not receive a shirt in time for the first performance.
