

STEAM Nights and Exploration Classes

Diamond Valley is a Utah STEM Gold Designation School and provides many opportunities for students to participate in hands on activities related to STEAM subjects. We have two STEAM Family Nights during the year where the whole family can come and enjoy the classes provided by local business and community partners.

In the Fall we have a Career Family Night and in the Spring we have an Arts Family Night. Both events explore different aspects of the STEAM program and include plenty of activities for all to enjoy.

We also offer STEAM Exploration Classes, during school, on Friday afternoons. These classes are held in six week sessions and incorporate a myriad of STEAM subjects. Students sign up for their favorite classes and become fully vested in what they are learning. The first STEAM Explo session is September 7th to October 19th. Be sure to ask your students about their experiences!

PTVO News

As a PTVO, we have planned some fun activities and events for our Diamond Valley Diamondbacks. The first is our Fall Carnival! It is for the entire family and is sure to be a blast! It will be held on September 21st at 4:30 p.m., so please save the date on your calendars! Specific details of the Carnival will be sent home with students in mid-September so keep your eye out.

Every Friday, students are encouraged to show school spirit by wearing school shirts to class. When they wear their shirt, they receive a small prize. We usually sell these shirts at the beginning of the year, so children have the opportunity to participate, but this year we have decided to give EVERY child in the school a free shirt! If you would like to make a \$5-\$10 donation to help fund PTVO activities throughout the year, we would greatly appreciate it, but it is not required to receive a free shirt. We would like to thank our many sponsors for making this possible and hope your children will enjoy this exciting gift!

School Community Council

Ever wondered what the Comprehensive School Improvement Plan (CSIP) is and who reviews it? Or have you ever wanted to be a part of the oversight of all School Trust Lands funds and accounts for the school? If so, please come join our School Community Council (SCC). The SCC is open to the public and our first meeting is September 14th, 1:30-2:30 in the Library. Come check it out!

Diamondback Show Choir

Diamondback Show Choir is back! Mrs. Winterton will be directing this wonderful group of students on Tuesday and Thursday mornings at 8:00 a.m. throughout the year. If you have a 3rd-5th Grade student who is interested in joining the choir, please have them bring their signed permission slip to Mrs. Winterton on the first day of Choir, Thursday, September 6th. Choir will be in the Auditorium so please line up outside the Auditorium door, in the back of the school, prior to 8 a.m. so choir can start on time.

Parent Teacher Volunteer Organization (PTVO) Board
